*"I have seen first hand how important it is for children who experience abuse (to) have a champion in their corner to support them and try to help them regain their voice and identity. Children are the future leaders and need the support of CACs to help them try to regain some sort of normalcy within society."*

Dear Community Partner,

We are excited to be reaching out to you about partnering with us as an event sponsor in our 2025 events season. Children's Advocacy Center of North and Northwest Cook County (CAC) is dedicated to empowering children to overcome trauma from physical and sexual violence through empathetic collaboration and culturally sensitive services for the victims and their families. Partnering with businesses like yours helps us raise awareness for what we do and the challenges facing our communities as well as adding to the financial support crucial to our everyday work. This year, we have an exciting lineup of events that support our cause while offering a platform for businesses like yours to engage with the community.

**WONDER – Thursday, May 8, 2025**

*Location: NOW Arena (Hoffman Estates, IL)*

CAC's premier fundraising event is rebranding from "Bloom" to "WONDER." Join us for an evening of imagination! Enjoy carnival canapés and midway thrills as we create an exciting night where you can reconnect with your inner child while supporting CAC and the children we serve. Eight-year-old you will thank you in the morning!

**Root Beer Float Run – Saturday, June 21, 2025**

*NEW Location: Bell Works Campus in Hoffman Estates*

This year's annual run dials up the fun factor with a root beer float theme! This family-friendly event welcomes participants of all ages to join a 5K or 10K run. Connect with your community and enjoy a favorite childhood treat at the finish line!

**CAC's Annual Golf Outing – Fall 2025**

Gather with both new and experienced golfers for CAC's Annual Golf Outing! Network on the course with local businesses and community leaders while supporting CAC's mission. Feel free to "Cheat for Charity" if you're feeling competitive—don't worry, this "cheating" has rules!

Sponsoring an event with CAC not only allows you to gain valuable exposure for your business, it also offers you the opportunity to contribute to the work CAC does in our community. We would be honored to partner with you this year. Please find the sponsorship opportunities outlined in the attached packet. If you have any questions or would like to discuss how we can collaborate, please reach out to Development Coordinator Alexis Gilkes at [agilkes@cachelps.org](mailto:agilkes@cachelps.org) or 847-744-5216.

Thank you for considering this opportunity to make a difference in our community. We look forward to the possibility of partnering with you and hearing from you soon!

With appreciation,

**Taylor, Alexis and Rachel**
